QUESTION: **How do I register under a region?**

ANSWER: Each individual is responsible for payment of their conference registration fee. An invoice is available for print at the end of the registration process.

Each region may choose one of the following options to compensate individuals being paid for by the region:

- The attendee may pay their registration fee by check or credit card and submit a copy of the invoice to the region for reimbursement.
- The attendee may indicate on their registration they will make payment by check and provide a copy of their invoice to the region for payment.
- The attendee may provide a purchase order (PO) number as provided by their region and provide a copy of their invoice to the region for payment.
- If a region would like to submit all of their attendee registrations together, they may develop a system to obtain information for their approved attendees (workshop and meal choices) and submit them as a group registration. This will then allow for a single invoice to be printed at the end of the registration process and for payment submission.
